Kicking out the bullies!

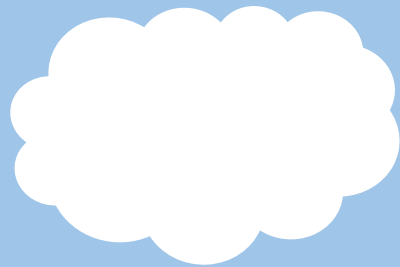

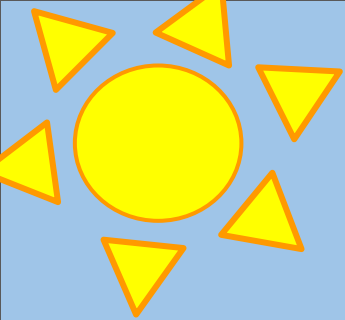

This is also a good way to help take a break from tech and just walk for a good cause, to help these poor babies.

What a good way to help raise money for the families who need help to support their premature babies.

Delivering food to
people who can't
get it themselves
such as Meals On
Wheels

Kick Cyberbullies out of your life.

Jones

I need to take a break from technology. I watch You Tube nonstop, and constantly look up info on Marvel + DC superheroes. I want to be able to take a break, and do things like playing with my dog, play outside more, and read books as often as I used to.

My family relates to the arms character, we enjoy to take breaks from tech and go outside.
