“Success Starts Here”

August, 2022

Dear Parents/Guardians:

The West Milford Board of Education has purchased **Student and Athletic Accident Insurance** coverage for the **2022-2023** school year, to protect all students against accidental injury during all school sponsored and supervised activities, including interscholastic sports. This coverage is administered through **Bob McCloskey Insurance**, Matawan, New Jersey, and is underwritten by Liberty Mutual and US Fire Insurance Company.

This insurance plan is **EXCESS** coverage, meaning that you must submit all bills to your own insurance carrier first. The school policy will then process all unpaid balances up to the limits of the policy. Although this coverage is very broad, there are restrictions, limitations and exclusions in this policy.

In some situations, medical bills may not be covered in full. Parents/guardians should understand that submitting medical expenses are their own responsibility, and not that of the schools. With additional medical coverage for all students added to the Gold Plan, some of the important benefits and limitations of the plan are:

1. Maximum medical benefit is \$500,000. Benefits are payable for up to 3 years from the date of injury.
2. Treatment **must commence within 90 days** of the date of injury, or there is no coverage.
3. Physical Therapy treatment (including Chiropractic) has a limit of \$10,000. (A letter of Medical Necessity is required).

All injuries should be immediately reported to a coach, nurse or faculty member. Claim forms will be provided by the school, but it is the parents/guardians' responsibility to:

1. Submit claim form with Part 1B filled out completely (any omissions will delay processing of the claim).
2. Submit all itemized bills (monthly statements will not be accepted).

Submit the statement (EOB – Explanation of Benefits) received from your own insurance carrier showing amounts paid and balances due, or a letter of denial stating the claim is not covered. **One of these items is required for any payments to be made on the claim.** If you have no other medical insurance, you will receive a letter from the insurance company requesting employer information. Please fill out this information and return it to the carrier immediately so that the claim can be processed. Failure to return this letter will result in a delay or denial of the claim.

It is your responsibility and to your benefit to submit the necessary forms as soon as possible, as a claim cannot be paid until all paperwork is submitted. Only one claim form per accident is required. All claim forms, bills and letters from other insurance carriers are to be sent to: BMI Benefits, LLC, P.O. Box 511, Matawan, New Jersey 07747. Any questions regarding coverage can be answered by calling toll free at 1-800-445-3126.

If you should require additional assistance, please contact the Board of Education Business Office at 973-697-1700, extension 5052.

OPTIONAL ADDITIONAL INSURANCE:

If you wish to purchase 24-hour Accidental Medical Insurance coverage, please visit www.bobmccloskey.com/K12Voluntary to review your options. Around The Clock – 24 Hour Accident Coverage with a \$500,000 maximum benefit, and a 24-hour Extended Dental Insurance with a \$50,000 maximum benefit, are both available for purchase at an additional cost. Participation in one or both of these plans is strictly optional. Should you have any questions, please call **1-800-445-3126** and a representative at **Bob McCloskey Insurance** will be happy to assist you with the process.

Sincerely,

Student Accident Insurance

Frequently Asked Questions

Why is my child's school providing student accident insurance?

Many health insurance plans have high deductibles and plan limits that leave parents with high bills resulting from an unexpected accident. This excess policy, provided by the school, protects students and families from the costs associated with school-time and/or sports related accidents depending on your school's chosen policy coverage.

Who is BMI Benefits?

BMI Benefits, LLC. is the claims administrator on behalf of the insurance carrier.

Does primary insurance always have to pay first?

Yes. Medical claims must always be submitted initially to your primary insurance policy. Any remaining balance of expenses not covered by your primary will be submitted to the excess policy. The policy will cover the remaining balance of eligible expenses up to the plan maximum.

Does the accident insurance policy pay for out-of-pocket expenses such as co-pays and deductibles?

Yes. These charges can be submitted to the accident insurance policy to provide reimbursement.

What documents are needed to process a claim?

If your student is involved in a school-related accident, the following documents are needed to properly process a claim:

- **Fully completed BMI Benefits Accident Claim Form**
- **Itemized Bill – in the form of a HCFA, UB04 or ADA Dental Claim**. These can be obtained through the medical/dental provider. **DO NOT SEND** cash receipts, balance due, balance forward, or past due statements for claims processing or payment. An itemized bill (HCFA or UB04) contains the following information:
 - Provider's Name, Provider's Address, Tax ID Number
 - Date(s) of Service, Type of Service(s) Rendered including CPT and ICD-9 Codes
 - The Fee for Each Procedure
- **Primary Insurance Explanation of Benefits (EOB)** – you should receive a copy of this from your primary insurance carrier. If your health insurance coverage is a state or federal government funded plan such as a Medicaid, Medicare, or Military insurance such as Tri-Care, the primary EOB is not required.

Where do I send all of these documents?

Please send all claim forms, itemized bills, primary EOBs, other insurance information and claims correspondence to BMI Benefits, LLC. **It might be easier to contact your medical provider, submit BMI's information as the secondary insurance, and the provider will bill BMI directly with the itemized bills and primary EOBs.**

What insurance information do I have to give a provider?

When you go to hospital, Doctor's office, PT clinic, etc, you must remember to tell them you have secondary insurance through your school's student accident medical insurance policy. Instruct the provider to bill your primary insurance first and then send the primary EOB and the itemized bill to BMI Benefits, LLC. **If you did not submit the secondary insurance information upon your first visit, please call the provider and give them the secondary insurance information for BMI Benefits.** If the provider bills the school's student accident insurance policy directly, this should prevent a balance due statement from being sent to the student/parent.

What can cause a delay in processing and paying a claim?

The claims administrator cannot process a claim that is missing one or more of the following documents: the accident/injury claim form, the Itemized Bill or the Primary EOB / denial. We cannot accept balance due, balance forward, or past due statements for claims processing.

Who can I contact if I have any questions? If you have questions after you submit your claims to BMI Benefits, LLC. please contact them at 800-445-3126. Please be aware that settlement of your claim may take several weeks to process. When contacting BMI Benefits, please have your claim form available, as well as the name of the school, school district, or Policyholder to ensure prompt assistance.

NOTE: When BMI processes a submitted claim, an Explanation of Benefits (EOB) will be mailed to the medical provider of service with any check payment. A second copy is also mailed to the address on file for the claimant/student explaining the claim payment details. If any information is missing in order for BMI to process and pay an outstanding claim, an EOB will be mailed stating what needs to be submitted to BMI for reprocessing and payment of the medical claim.

The following information highlights certain form completion instructions. Comprehensive ADA Dental Claim Form completion instructions are printed in the CDT manual. Any updates to these instructions will be posted on the ADA's web site (ADA.org).

GENERAL INSTRUCTIONS

- A. The form is designed so that the name and address (Item 3) of the third-party payer receiving the claim (insurance company/dental benefit plan) is visible in a standard #9 window envelope (window to the left). Please fold the form using the 'tick-marks' printed in the margin.
- B. Complete all items unless noted otherwise on the form or in the CDT manual's instructions.
- C. Enter the full name of an individual or a full business name, address and zip code when a name and address field is required.
- D. All dates must include the four-digit year.
- E. If the number of procedures reported exceeds the number of lines available on one claim form, list the remaining procedures on a separate, fully completed claim form.

COORDINATION OF BENEFITS (COB)

When a claim is being submitted to the secondary payer, complete the entire form and attach the primary payer's Explanation of Benefits (EOB) showing the amount paid by the primary payer. You may also note the primary carrier paid amount in the "Remarks" field (Item 35). There are additional detailed completion instructions in the CDT manual.

DIAGNOSIS CODING

The form supports reporting up to four diagnosis codes per dental procedure. This information is required when the diagnosis may affect claim adjudication when specific dental procedures may minimize the risks associated with the connection between the patient's oral and systemic health conditions. Diagnosis codes are linked to procedures using the following fields:

- Item 29a – Diagnosis Code Pointer ("A" through "D" as applicable from Item 34a)
- Item 34 – Diagnosis Code List Qualifier (B for ICD-9-CM; AB for ICD-10-CM)
- Item 34a – Diagnosis Code(s) / A, B, C, D (up to four, with the primary adjacent to the letter "A")

PLACE OF TREATMENT

Enter the 2-digit Place of Service Code for Professional Claims, a HIPAA standard maintained by the Centers for Medicare and Medicaid Services. Frequently used codes are:

- 11 = Office; 12 = Home; 21 = Inpatient Hospital; 22 = Outpatient Hospital; 31 = Skilled Nursing Facility; 32 = Nursing Facility
