New SAT

- All data in this presentation reflect students' performance on the *New SAT*, as of March 2016 and the *New PSAT* from October 2016
- CB developed new College and Career Readiness benchmarks which helps students and educators assess student progress toward college readiness from year to year
- There is no data that corresponds to these new benchmarks in prior years, so this is a level setting year.
- Comparisons for this year are with the state mean scores

Benchmarks

Use Benchmarks To Enhance College Readiness

Students and educators can track progress toward college readiness from year to year.

Gauge college readiness

Identify strengths and weaknesses

Strengthen academic programs

SAT[®] College and Career Readiness Benchmarks

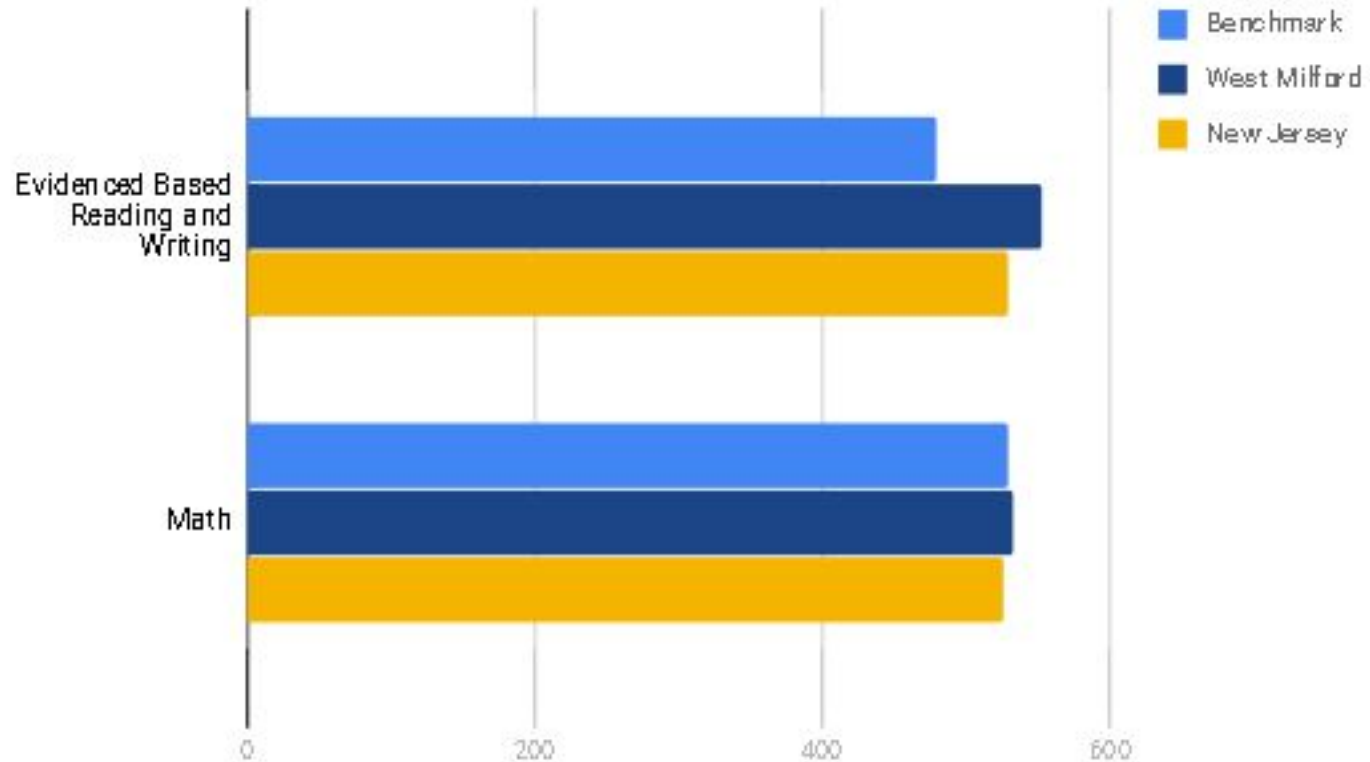

- 75% likelihood of earning at least a C in a first-semester, credit-bearing college course in a related subject
- The SAT Suite’s benchmark makes it easy to gauge progress from assessment to assessment.
- Set at section level
- Overall college and career readiness is defined as achieving both of the section-level benchmarks on a given assessment.
- Grade-level benchmarks are based on expected student growth toward the SAT Benchmarks:

		Grade 8	Grade 9	Grade 10	Grade 11	SAT
