

If you need to register a new student.....

Online registration information is available on our district website: [www.wmtps.org](http://www.wmtps.org), under the "For Families," "Parent Resources," "Registration Information" tabs.

All forms must be filled out online before scheduling an appointment. If you need additional assistance, or need to schedule a time to complete the registration process, including submitting the remaining registration paperwork, please contact our West Milford Board of Education Office, by calling Mrs. Soccoccia at 973-697-1700, Ext. 5110 to set up an appointment.

See you in September!
